BUSINESS, WITHOUT THE BOARDROOM

Some events deserve more than a conference room. Whether it’s a team celebration, client dinner, company milestone or simply getting everyone together outside the office, London & Martin Co. gives you a space that feels polished without feeling corporate.

Fill the room with your team, good food, proper drinks and conversation that has nothing to do with emails. We’ll take care of the menu, bar and all the details so you can focus on the people in the room—and whatever brought you together
