

A photograph of a social gathering in a restaurant. Two women are seated at a table, smiling and waving. In front of them is a large pink cake with a slice being served. A hand in the foreground holds a smartphone, recording the scene. The background shows other patrons and a modern interior with large windows and gold-colored light fixtures.

CELEBRATIONS & GATHERINGS

Not every get-together needs a big reason. Sometimes it's a birthday, an anniversary or a milestone. Sometimes it's simply been too long since everyone was in the same room.

London & Martin Co. is a place to bring your people together, settle in over good food and drinks, and let the night take its course. From a table with your closest friends to a full room of familiar faces, we'll help you make the space your own and take care of the details — so you can actually be part of the night, not the one running it.
